

and also the subdivisions, if any, and the said map shall be filed in the office of the tax collector, to be subject to public inspection; and when the assessments and liens herein provided for shall have been made upon the various lots and properties on the street, the said tax collector shall write upon the said map the amount assessed upon the same, and he shall keep a properly indexed record book showing such assessments, liens, and date and amount of all payments made on any of said assessments and liens.

Map of proposed improvement to be filed in office of tax collector.

Map to show assessments.
Record of assessments.

SEC. 6. That the amount of the assessments for such street improvements as herein provided, being estimated on each piece of real estate as above directed, shall be a lien on such real estate, and the said mayor and board of commissioners shall cause the city engineer to make a survey and a report of the amount of the work done and the cost thereof, upon what street or portion thereof, showing the name of each abutting owner thereon, the number of front feet of each lot and the pro rata shares of such cost of such street improvement to be assessed against such real estate, and upon the adoption and approval of such report the liens authorized thereon shall become complete and operative, and shall be paramount to all other liens on said real estate except the liens for taxes thereon, and the said report shall be transcribed upon the minutes of the said board of commissioners, and the amount of said liens and of said assessments against all property abutting on such streets as aforesaid shall become due and payable as follows to wit: one-third in thirty days after the adoption of said report and the balance in two equal annual payments, which deferred payments shall bear interest at the rate of six per centum per annum from the date of the approval of the said report until paid; and upon the filing of said report the said mayor and board of commissioners shall cause ten days notice to be given by publication in some newspaper published in the town of Canton, stating that such report has been filed in the office of the tax collector, and that at the first regular meeting of the board of commissioners to be held after the expiration of the said ten days notice the said board of commissioners would consider said report, and if no valid objection be made thereto, the same would be adopted and approved by said board. Any owner of land affected by said lien or assessments shall have the right to be heard concerning the same before the said board of commissioners, by filing objections thereto in writing duly verified by his oath, in the office of the town clerk at least two days prior to the first meeting of the board, at which said report may be approved and confirmed, but not thereafter, and any person so objecting to the confirmation and approval of said report shall state in said objections, in writing, what part, if any, of said assessment he admits to be lawfully chargeable to his said lands, and what part thereof he

Assessments to be lien.
